

# Cinderella, Somebody Save Me

When I was a young boy  
they said you're only gettin' older  
but how was I to know then  
that they'd be cryin' on my shoulder  
put your money in a big house  
get yourself a pretty wife  
She'll collect your life insurance  
when she connects you with a knife

Somebody get the doctor,  
I'm feelin' pretty poor,  
somebody get the stretcher  
before I hit the floor

Somebody save me

I lost my job, they kicked me out of my tree,

Somebody save me

save me

Everybody's got opinions  
but nobody's got the answers  
and the shit you ate for breakfast  
well it'll only give ya cancer  
We're runnin' in a circle  
runnin' to the mornin' light  
and if ya ain't quite workable  
It's been one hell of a night

Somebody get the doctor,  
I think I'm gonna crash  
Never paid the bill  
because I ain't got the cash

Somebody save me

I lost my job, they kicked me out of my tree,

Somebody save me

save me, look out

Save me

I lost my job, they kicked me out of my tree,

Somebody save me

Save me

Somebody save me

I'm goin' down for the last time, look out

Save me

Save me
