

Cindy Vouge, Dumb Girls

You broke my heart today
I don't know what to say
I can't feel a thing at all
I did not see it coming
Now you're just a man that got away
I look at the ground and give the sky the middle finger
Something inside said here's a day you should remember
So mark it on the wall

I never believed it could happen to me
Something like this only happens to Dumb Girls
Taking themselves too seriously
I was so damn smart, I was the one girl
Who never believed it could happen to me?
'Cause something like this only happens to somebody else...

I miss you so much I can't stand it (I can't stand it)
You bring out the blonde in me
'Cause I'm still hanging on
Even though you've done me wrong
And I got the heart to forgive this but I'll never let you know
What kind of girl would put herself in that position? (yeah)
To think that I could ever buck the system and I got fooled again

I never believed it could happen to me
Something like this only happens to Dumb Girls
Taking themselves too seriously
I was so damn smart, I was the one girl
Who never believed it could happen to me
'Cause something like this only happens to somebody else

I thought I was strong, but I was just dreaming
Kept believing
That nothing was wrong
I thought I knew what was going on
but love was deceiving me

Now I'm just a Dumb Girl
A Dumb Dumb Dumb Dumb Girl
That's what I am

I can't believe that it happened to me
Something like this only happens to Dumb Girls
Taking themselves too seriously
I was so damn smart, yea, I was the one girl
Who never believed it could happen to me
'Cause something like this only happens to somebody else

I can't believe this shit could happen to me yeah yeah
'Cause something like this only happens to somebody else
I guess I'm just a Dumb Dumb Dumb Dumb Girl
That's what I am
Dumb Dumb Dumb Dumb Girl
