

# Circle II Circle, Walls

I turn away  
There's nothing to see here  
Only a distant memory  
Of how things really were  
Supposed to be  
And life moves on  
Ever so quickly  
I see my past it flashes by  
Like the stars in the sky flickering

And the years come around  
Years come around  
I'm left here praying  
That the tears falling down  
Tears falling down  
Are worth me saving  
And I don't know how to go on

Tear down the walls of your life  
You can't stop them anymore  
Tear down the walls of your life  
And find your way

How long  
Can this life carry on?  
How long  
Watch the walls  
Watch them burning down  
How long  
How long must we run?

I lost my way  
When I was younger  
I regret lots of things I did  
Just maybe I didn't give quite enough

And the years turn around  
Years turn around  
Their faces fading  
And the years going by  
Years going by  
There's no replacing  
And the souls will all carry on

Tear down the walls of your life  
You can't stop them anymore  
Tear down the walls of your life  
And find your way

How long  
Can this life carry on?  
How long  
Watch the walls  
Watch them burning down  
How long  
How long must we run?

Tear down the walls

How long  
Can this life carry on?  
How long  
Watch the walls  
Watch them burning down

How long  
How long must we run?
