

# Circle Jerks, Stars And Stripes

what they did,past or present  
got us in this situation  
predicament  
no where to run  
everybody's building bombs

no more housewives;  
"days of our lives",  
television,disneyland,  
basketball or stars and stripes

their chairman's on his death bed  
our president's popularity is down  
an epileptic called a colonel  
presses a button  
and its all knocked down

no more housewives;  
"days of our lives",  
television,disneyland,  
basketball or stars and stripes

hahaha,  
you're all gonna die,  
and you voted for that guy

science,modern technology,  
digs your grave  
care of moscow and DC,  
votes you never gave

no more housewives;  
"days of our lives",  
television,disneyland,  
basketball or stars and stripes

or stars and stripes,  
or stars and stripes,  
or stars and stripes

my country 'tis of thee  
sweet land of liberty...
