

# Circulatory System, Symbols And Maps

such a long way, a long way  
let's take off in the sky  
painting symbols and maps  
keeps us occupied  
the sound in the forest  
you heard the whisper  
i know you've come a long way  
let's take off in the sky  
and revel all the worlds that we've locked  
inside, the sound in the forest  
you heard the whisper  
i know you've come a long way
