

# Citizen Cope, All Dressed Up

She's weighin' on my mind and it won't let up  
I couldn't get enough of her  
She's out on the town and she's all dressed up  
I couldn't get enough of her  
She walked into the room and the place lit up  
I couldn't get enough of her  
Distance is lifting me up  
I couldn't get enough of her love  
I couldn't get enough of her

Here's a song for you I play  
From all of my life, from all of my days  
Life is short but the summer is long  
And we could get together a lot before the fall  
And when you get near, close enough to hear, my mind just settles  
The thoughts just clear  
And I could touch you right  
And I could rush you right and  
Them walls gonna fall like the full moon-light

Yeah Yeah  
She's weighin' on my mind and it won't let up  
I couldn't get enough of her  
She's out on the town and she's all dressed up  
I couldn't get enough of her  
She walked into the room and the place lit up  
I couldn't get enough of her  
Distance is lifting me up  
I couldn't get enough of her love  
I couldn't get enough of her

Here's a song for you I play  
From all of my life, from all of my days

Life is short but the summer is long  
And we could get together a lot before the fall  
And when you get near, close enough to hear, my mind just settles
