

City Sleeps, Andrea

You make me wanna die
If looks could kill
Then you'd be a murderer
Dying in the hills of Hollywood
I found out that you got lost with her
Chorus
Don't call me here
One more time
The night is closing in
Andrea you came and stole my girl
With just a kiss
Are you gonna save her from the world
But you kissed her lips
Living my days in the future
You came in and had a baby
Entertain in this sensation
Andrea you took my girl from me
Chorus
But you kissed her lips
Andrea you come on like a machine
Andrea the night is closing in
Don't you know what I mean
If looks
If looks could kill, you'd be a murderer
If looks
If looks could kill, you'd be a murderer
Chorus
Andrea you come on like a machine
Andrea the night is closing in
Don't you know what I mean
