

# Civil Twilight, Letters from the sky

One of these days the sky's gonna break and everything will escape and I'll know

One of these days the mountains are gonna fall into the sea and they'll know

That you and I were made for this

I was made to taste your kiss

We were made to never fall away

Never fall away

One of these days letters are gonna fall from the sky telling us all to go free

But until that day I'll find a way to let everybody know that you're coming back, you're coming back

'Cause even though you left me here I have nothing left to fear

These are only walls that hold me here

Hold me here, hold me here

One day soon I'll hold you like the sun holds the moon

And we will hear those planes overhead and we won't have to be scared

We won't have to be scared, we won't have to be scared

You're coming back for me

You're coming back for me

You're coming back to me
