

Cky, Chemical Control

I used to be now i'm not; what you seem to forget
Dont try to understand
Theres a lot that you dont know like what your doing
Slacked the masses
Chemical control
Thats what you know
Hallucinations, shapeless mirage
Humiliation with a facelift
Morality is out of control
With a staggering sway, he takes his first step into our world alone today!
With a staggering sway, he takes his first step...
