

Cky, We Wish You A Shitty Christmas

I wish you a fucking Christmas
I wish you a sucky Christmas
I wish you a shitty Christmas
And hate Richard Gere

I wish you a shitty Christmas
I wish you a fucking Christmas
I wish you a sucky Christmas
And a boring New Year

I bring you a stocking full of gore
I'll fuck you in the asshole screaming for more
I wish for the death of you and your kin
Now hanging from the ceiling
I'll shred off your skin

And a boring New Year
