Translation

Go home with you

Go home with you

Go home with you, Mary

Go home with you and stay at home

Because your match is made.

It doesn't matter who made it or who didn't

It doesn't matter who made it, Mary

It doesn't matter who made it or who didn't

Because your match is made.

Marry the piper

Marry the piper

Marry the piper, Mary

Marry the piper early at night

And you'll have him in the morning.

My match isn't,

Your match is,

My match isn't made.

Your match is,

My match isn't,

Your match is made.
