

Clarkesville, Someday

Tomorrow is never a million miles away
But I know that you've counted as many miles today
All I can say
Is when love has you tangled
Don't give yourself away
All will come undone
Someday

There's nothing in this world that stays the same
Despite all your good intentions things will change
It's such a shame
To cherish a moment
Then let it get away
You'll get it back
Someday

Ooooooh
It will find you, it will find you
Ooooooh
It will find you someday

Daylight has faded for better, don't you know
And tomorrow is never a million miles to go
All I can say
Is when love has you tangled
Don't give yourself away
All will come undone
Someday
Someday
Someday
