

Claude Kelly, Love Song

Yeahhh ohhh

Yeahhhhhh

Baby ohhh woah woah

Listen,

Culd it be love if u only met her once

I never got her name B4 she left the club

It must be destiny, the way u completly

Gon take over my mine

Now wen I close my eyes I still feel the girl

Touchin on me, grindin on me

Yeah ya trully fly girl

[CHORUS:]

And everytime I hear tht love song (love song),

I swear I'm goin out of my mind

Cause I cnt see myself dancing with nobody else to tht love song (love song love song)

See I don thinkn I'm eva gon find a chik like this tht make me trip ova a long song

Ain gon stop up on the floor, cause everytime I try

Tht freakin song comes on

Dj stop playin with my mind. She got the kid so open

I wonder if she knows it. She all on my mind

And wen I close my eyes I still feel the girl

Touchin on me, grindin on me

Yeah ya trully fly girl

Now baby anywhere you are, I wish tht u culd see

How bad u got me trippin everytime I hear tht song

I cnt help but but fall in love, wuld someone plz tell me

Why one dance, cause I got it bad about tht love song

Love song...
