

# Claude Kelly, My Destiny

Yeah yeah yeah yeah...  
Yeah yeah yeah yeah...  
Never been the type of guy  
To call a chick up several times in a day  
That ain't ever been me  
And I never been the type of guy  
That needed a girl to make me feel complete  
But shawty you made me change  
Now every night every day  
You stay on my mind  
You got me runnin' around  
Findin ways to see you ohh  
All I know is  
You were decided for me  
Baby you were my destiny  
It's a promise, I ain't gon' never leave  
Baby your love was meant for me  
Never felt like this before  
With no one else baby  
My heart's now yours  
Now all I can say is  
All I know is  
You are my destiny  
I've always been the type of guy  
That said falling in love was never for me  
But you would never believe  
The way you got me open  
Needing you always, say girl  
I hope you know this  
Feelin you always  
Now every night every day  
You stay on my mind  
You got me runnin round  
Tryna find ways to see ya girl  
All I know is  
You were decided for me  
Baby you were my destiny  
It's a promise, I ain't gon' never leave  
Baby your love was meant for me  
Never felt like this before  
With no one else baby  
My heart's now yours  
Now all I can say is  
All I... I know is  
You are my destiny  
No more running around  
Said I think I've found that one  
Somehow I feel like my life has just begun  
Cause I open up my eyes now I see there's no need to run  
Cause you're my you're my you're my destiny  
[x2:]  
All I know is  
You were decided for me  
Baby you were my destiny  
It's a promise, I ain't gon' never leave  
Baby your love was meant for me  
Never felt like this before  
With no one else baby  
My heart's now yours  
Now all I can say is  
All I... I know is  
You are my destiny
