

# Claude Kelly, U Were Mine

verse 1 :

driving down the highway i hear the music up,  
a band but i cant figure out where it's coming from,  
look to my right and see a small cafe,  
so i pull my car over to hear theband play,  
when i see u shaking up to the rythm my body calls,  
like an espanol keeps his amigo...

hook:

we start grinding like ive never done before, and then you wisper in my ear baby its all yours;

chorus:

u were mine, (u had me saying),

u were mine (girl im not playing),

u were mine,

(this aint no game)

and i didnt know ur name, but you were mine, (maybe i was trippin)

u were mine (but i could feel it)

u were mine (At least in my eyes) and ill never be the same, my heart is going

whooh oh oh ohhh oh x4

verse 2:

day turns into night, & im still in the same place,

but nothing could hold me back, not even a hurricane,

we take a brake to let me catch my beath (huh huh)but it aint pumped till wer back at it again.

hook

chorus

whooh oh oh ohhh oh x4

u were mine!

u were mine!

u were mine!
