

Clay Walker, One, Two, I Love You

Kindergarden five years old,
You and me and mother goose,
Learning lines to nursery rhymes,
That's when I fell in love with you,
Back when it was

Chorus

One, two, buckle my shoe,
Three, four, shut the door,
Five, six, pick up sticks,
Even then my heart was yours.
College days miles apart,
So afraid you'd forget,
Writing letters everyday,
And ending everyone like this

Chorus

One, two, I miss you,
Three, four, I walk the floor,
Five, six, come back quick,
I don't want to miss you no more.
A little girl a little boy,
Playin' on a swing in the yard,
As we watch I hold your hand,
And you're still holding onto my heart, and now it's
One, two, I love you,
Three, four, let's have one more,
Five, six, I wouldn't miss,
A day of this for all the treasure on the ocean floor,
One, two, I love you,
Three, four, let's shut the door,
Five, six, kiss after kiss,
I can't wait to hold you once more.
