This love was like being in a fantasy
It was the time only for you and I
But time has passed so does our love
So does our time it's true

If you listen, dangshinui gyulshimeul
juhyunghi whisper, yaksokddawin hajianhkoh
Let me, neh aneh yungwonhee forever ever...

Vexed and stressed out
Gotta confess now
Fallen angel's with no where to nest out,
Pull my chest out try my best to breathe
But I'm frantic it must be my asthmatic destiny.
They say, yo it's best to leave your
fate to the U-N-I Verse
Do and die first, why u and I curse the heavens,
God will never know
It might be the time of your life, gotta let it go.

This love was like being in a harmony
It was the time only for you and I
Though time has passed my love is real
And my love is true

If you listen, dangshinui gyulshimeul
juhyunghi whisper, yaksokddawin haji anhkoh
Let me, neh aneh yungwonhee forever ever..
If you listen, neh mamui jinshimeul
gamanhi whisper, oonmyungi gil baramyunsuh
Let me, gakkai neh gyotteh forever ever...

Shigan sogeh gildeulyuhjin

If you listen, dangshinui gyulshimeul
