

# Clazziquai Project, Salesman

Hey I hope you know  
I want certain words  
can you take my soul  
I'm going nowhere

Why do people live?  
I want certain words  
can I take your soul  
I'm going nowhere

Yesterday you called me today you left me  
my heart is frozen like an ice  
I'm going nowhere  
what's up you people  
my vision's not clear  
there is a hole in my heart

Hey you understand  
I want certain words  
can you take my soul  
I'm going nowhere

Why do people know?  
I want certain words  
can I take your soul  
I'm going nowhere

Yesterday you showed me today you erase me  
my heart is beating like a drum  
I'm Mr. Salesman  
what's up my story  
how to be myself  
there is a hole in my brain

Nanana.....  
there is a hole in my brain

Yesterday you called me today you left me  
my heart is frozen like an ice  
I'm going nowhere  
what's up you people  
my vision's not clear  
there is a hole in my heart

Yesterday you showed me today you erase me  
my heart is beating like a drum  
I'm Mr. Salesman  
what's up my story  
how to be myself  
there is a hole in my brain

Nanana.....  
there is a hole in my brain

My brain Mr. Salesman  
going nowhere
