

Clear View, Tell me (Feat. Jessica)

Tell me,
That you,
Want me,
Pull me,
To your,
Body
Close the,
Door behind you,
I know what to do
Tell me that you want me,
Tell me that you want me baby,
Tell me that you want me (x3)
Tell me that you want me baby,
Tell me that you want me (x2)
Tell me,
You can,
Feel it,
Move me,
Like you,
Mean it
Put yourself,
Against me,
I know what to do
Tell me that you want me,
Tell me that you want me baby,
Tell me that you want me (x3)
Tell me that you want me baby,
Tell me that you want me (x2)
