

Clear Vision, Pillowtalk

You're so full of shit
It is giving me the creeps
I thought - that you'd grown out of it

Don't talk to me
'Cause I don't want to know
Don't get me wrong
But I want you to go
I don't mean to harm you
You're better off out for a walk
This ain't - This ain't - This ain't - This ain't - This ain't - This ain't
No pillow talk!

Speaking of ropes in the house of a man
Who has been hanged for the women he banged
Those who do know wouldn't speak
And those who do speak wouldn't know
Talk of the devil - he's bound to appear
Talk of a woman and trouble is near
It's when it's best that it's time that you quit
And that's all - that's all

Don't talk to me
'Cause I don't want to know
Don't get me wrong
But I want you to go
I don't mean to harm you
You're better off out for a walk
This ain't - This ain't - This ain't - This ain't - This ain't - This ain't

It is giving me the creeps
I guess - you'll never grow out of it
