Tim Wilson lyrics

Ricky Tidwell was a great athlete  
He was a big strong boy that was quick on his feet  
And every college in the country wanted Ricky on their line  
Oh when the scouts came knocking on Ricky's door  
They didn't want to talk to young Rick no more  
When they saw his mama she's the one they wanted to sign

She was a real bold woman raised on a farm  
Had Bear Bryant tattooed on her forearm  
She was meaner than hell and ran the 40 in 4.3  
She could squat 600 bench press 5  
The hands down meanest homemaker alive  
Got a scholarship playing linebacker in the SEC

Ricky Tidwell's mama is gonna play football  
Her real name's Doris but they're gonna call her "Too Tall"  
She's got shoulders and a hind end four foot wide  
Going to college on a full ride  
Doris Tidwell's gonna play in the NC-double-A

She'd wash all her team mates uniforms  
Tucked everybody in in the football dorms  
Cooked the game meal, said the Lord's prayer  
You're missing a jockstrap? She's got a spare  
Crawled in the huddle, and called all the plays  
The only one tough enough to go both ways  
Yeah...a mouth full of mud, scoured up knees  
Cussing out the coaches spittin' on referees

Ricky Tidwell's mama's gonna play football  
Her real name's Doris  
But they're gonna call her "Too Tall";  
They say she's a fine young man but she's really not  
Ricky's mama was the master of the cheap shot  
And on the triple option play she could ruin your day

She led the team in tackles and the league in sacks  
Responsible for killing nine running backs  
But the school's reputation was destroyed  
They accused Ricky's mama of steroids

Ricky Tidwell's mama's on probation  
Now the college is under their eighth investigation  
They wouldn't leave poor Ricky Tidwell's mama alone  
She'd been takin' male hormones

Doris Tidwell's gonna be hell  
In the NFL

I got a flagrant personal foul #52 illegal use of a clothesline

CTJ lyrics

Uh Ricky Tidwell was a great athlete  
He was a big strong boy that was quick on his feet  
And every college in the country wanted Ricky blocking on their line  
And when the scouts came knocking on Ricky's door

They didn't want to talk to young Rick no more  
When they saw his mama she's the one they wanted to sign

She was a real bold woman raised on a farm  
Had Bear Bryant tattooed on her forearm  
She was meaner than heck ran the 40 in 4.3  
Well she could squat 600 bench press 5  
The hands down meanest homemaker alive  
Got a scholarship playing linebacker in the SEC

Ricky Tidwell's mama is gonna play football  
Her real name's Doris but they're gonna call her &quot;Too Tall&quot;  
She's got shoulders and a hind end four foot wide  
Going to college on a full ride  
Mrs. Tidwell's wouldn't play in the NC-double-A

She would wash all her team mates uniforms  
Tucked everybody in in the football dorms  
Cooked the game meal, say the Lord's prayer  
You're missing a jockstrap? She's got a spare  
Crawled in the huddle, and called all the plays  
The only one tough enough to go both ways  
Yeah...Her mouth full of mud, scoured up knees  
Cussing out the coaches and the referees

Ricky Tidwell's mama's gonna play football  
Her real name's Doris  
Everybody calls her &quot;Too Tall&quot;  
They say she's a fine young man but she's really not  
She's the master of the cheap shot  
And on the triple option play she'd ruin your day

She led the team in tackles and the league in sacks  
Responsible for killing nine running backs  
But the school's reputation was destroyed  
They accused Ricky's mama of steroids

(I thought that woman was awful stout)

Ricky Tidwell's mama's on probation  
Well the college has started an investigation  
Yeah  
They wouldn't leave poor Ricky Tidwell's mama alone  
Said she'd been takin' male hormones

Mrs. Tidwell's gonna do well  
In the NFL

(repeat to fade): Ricky Tidwell's mama  
15 yard penalty: illegal use of a clothesline  
Can I have your autograph ma'am...or is that sir???
