Cliff Richard, Flying Machine

4 o'clock I've been walking all night

It's the time

I always think of you.

If I could only see though my eyes

Then you'd know just what I'm going through.

Here am I

I'm taking a chance

In running around with stars in my eyes.

Here am I

I looking for you

Wondering why do I feel so blue.

I'm dreamin' - dreamin' of me and you

Oh I'm dreamin' - dreamin' will see me through

Never lettin' chances pass me by

I'm gonna dream you right into my life

Yeah

dream you right into my life.

Dreamin' - dreamin' will see me through

Woman

you better believe

that I'm dreaming you into my life.

5 o'clock still walking around

I call you up

but you just bring me down

I guess you' say I'm gettin' nowhere

In my dreams you always come around.

Here am I

I'm taking a chance

Walking on air

flyin' so high

Here am I

facing the truth

There's no other way

I'll ever make you mine.

I'm dreamin' - dreamin' of me amd you

. . .

Dreamin' - dreamin' will see me through

Woman

you better believe

that I'll be dreaming you into my life

Woman

you got to believe me

woman

Oh

woman

you got to believe me

woman

I'll be dreaming you into my life

You got to believe me woman...
