

Cliff Richard, Forever You Will Be Mine

I am not the only one
Who can see that you are beautiful
But I am the only one
Who can see you belong to me

Making me feel so light
Making me feel such powerful emotion
Making my heart so light
All the time

Something in the air tonight
Something in the air with powerful emotion
Something in the air so right
Feels so right

Oo oo together in love
Oo oo forever in love
Oo oo together we are
Forever you will be mine

Filling my life with love
Filling my life with powerful emotion
Filling my life with love
All the time

I am not the only one
Who can see that you are beautiful
But I am the only one
Who can see you belong to me

Yeah yeah yeah
Yeah yeah yeah
Mmmm

Oo oo together in love
Oo oo forever in love
Oo oo together we are
Forever you will be mine
Together we are
Forever you will be mine

I am not the only one
Who can see that you are beautiful
But I am the only one
Who can see you belong to me

Something in the air tonight
Something in the air with powerful emotion
Something in the air so right
Feels so right

Oo oo together in love
Oo oo forever in love
Oo oo together we are
Forever you will be mine
