

# Cliff Richard, Human Work Of Art

No one on earth means more to me  
Your painted pictures are the way that the world  
should be  
Don't ever change it, I don't wanna live in this  
world without you  
Oh no

I can't explain, I can't define  
What you do to me, but my senses are so alive  
You tell your story and it's all that I ever believe

Portraits and poetry are frozen forms of perfection  
But they don't live and breathe  
When my heart's in need they don't answer me  
You - ooo ooh you are, you're a human work of art  
Walking, talking inspiration  
You - ooo ooh you are, you're a human work of art  
You make me love, you make me care  
You give me freedom I don't need when I know  
you're there  
My search is over I've got all of the riches that  
money don't buy, Oh no

Your words are poetry and your face is more than  
perfection  
The way I watch you move it only goes to prove  
In everything to do

You - ooh ooh you are, you're a human work of art  
Walking, talking inspiration  
You - ooooh ooh you are, you're a human work of art

You're my mission  
You're my goal  
Ooh you liberate my soul

There's no illusion, that your touch is gold

Portraits and poetry are frozen forms of perfection  
The way I watch you move it only goes to prove  
In everything you do

You - ooh ooh you are, you're a human work of art  
Walking, talking new sensation  
You - ooooh ooh you are, you're a human work of art  
Walking, talking inspiration
