

# Cliff Richard, The Best Of Me

So many years gone  
Still I remember  
How did I ever let my heart believe  
In one who never gave enough to me  
And so many years gone  
With love that was so wrong  
I can't forget the way it used to be  
And how you changed the taste of love for me

You were my one more chance  
I never thought I'd find  
You were the one moment  
I'll always have in my mind  
No-one will ever touch me more  
And I only hope that in return  
I might have saved the best of me for you

And we'll have no ending  
If we can hold on  
And I think I've come this far because of you  
Could be no other love but yours will do

You were my one more chance  
I never thought I'd find  
You were the one moment  
I'll always have in my mind  
No-one will ever touch me more  
And I only hope that in return  
I might have saved the best of me for you

No-one will ever touch me more  
And I only hope that in return  
No matter how much we have to learn  
I might have saved the best of me for you

For you  
I saved the best of me

You were my one more chance  
You were the one romance
