

Clifford T. Ward, For Emily

Wherever she may go

Whatever she may do

The world is all so new to Emily.

For all that she will see

And all that she may feel

The world is all so real for her.

One day we'll see

She'll smile for me.

Wherever she may go

Whatever she may do

The world is all so new for her.

INSTRUMENTAL

One day we'll see

She'll smile for me.

Wherever she may go

Whatever she may do

I wish the world could stay brand new for Emily.
