

Clifford T. Ward, Mad About You

This heart of mine is

Breakin' in two, and

It's all because of you

You are the girl I'm mad about.

This love of mine is

So back-to-front it's

Drivin' me off my head

You are the girl I'm mad about.

You're the only one who makes me happy

You're the only one who makes me sad

Without you I'd be of no use

But with you darlin' everythin's as bad.

This love of ours needs

Shakin' up, it's a

Cryin' shame to let it die

You are the girl I'm mad about.

INSTRUMENTAL

You're the only one who makes me happy

You're the only one who makes me sad

Without you I'd be of no use

But with you darlin' everythin's as bad.

This love of ours needs

Shakin' up, it's a

Cryin' shame to let it die

You are the girl I'm mad about.
