

# Clifford T. Ward, Sympathy

Sympathy is what you see in me

Is that all I'm good for?

What's more, I think you think I'm just your friend.

I'll be concise, I think you're nice

Entice me to be something else

Or else I think this friendship has to end.

'Cause I wanna be your lover baby

Wanna to be your lover baby

Wanna be your lover right away

An' I'm tired of hearing what you have to say.

Don't be naive can't you perceive

That I believe in you it's true

You're always treating me indifferently.

So if you cry I'll say goodbye

Unless you try some sympathy on me

Just for a change act differently

You know you can.

'Cause I wanna be your lover baby

Wanna be your lover baby

Wanna to be your lover right away

An' I'm tired of hearing what you have to say.

INSTRUMENTAL

'Cause I wanna be your lover baby

Wanna be your lover baby

Wanna be your lover right away

An' I'm tired of hearing what you have to say.

Yes I wanna be your lover

Wanna be your lover

Wanna be you lover right away.
