

# Clifford T. Ward, When I Found You

You are all I ever wanted

All my life I dreamed of you

Everything I ever wanted

All came true when I found you.

I waited a long time

To find a girl as sweet as you

And then it took no time

To see the sun come shining through.

You are all I ever dreamed of

All my life I've wanted you

Everything I ever dreamed of

All came true when I found you.

## INSTRUMENTAL

And then it took no time

To see the sun come shining through.

You are all I ever dreamed of

All my life I've wanted you

Everything I ever dreamed of
