

# Clinic, C.Q.

C.Q. in unison, C.Q. in unison.  
I hate the G.L.U.  
I hate the Y.M.O.  
C.Q. made Europe sick, C.Q. made Europe sick  
And we want no no more facist chic  
No no no more facist chic.  
C.Q. was never one to spit  
Do Do Do for the reindeers  
Do Do Do to please  
Do Do Do this for me.  
C.Q. was always bold  
C.Q. was never told  
Baby they let you go  
Baby they kill the old  
Baby your suppers cold.  
C.Q. was never one to scold  
C.Q. in unison.
