

Clint Black, Where Your Love Won't Go

(Clint Black & Steve Wariner)

It's a lonesome avenue, I'm barely livin' on
With a broken heart that's dyin' over you.
I've done all that I can do to try and make you love me too
Tell me where did I go wrong?

Girl, I've had enough of givin' you my love
When you won't give it back, I know
You don't love me, I'm on a one way street
Where your love won't go.

--- Instrumental ---

I won't cross the burnin' bridges you left behind
Though I've shed the tears to put those fires out
If I didn't do me part from the bottom of my heart
Then I don't know what love is all about.

Girl, I've had enough of givin' you my love
When you won't give it back, I know
You don't love me, I'm on a one way street
Where your love won't go.

Well, you gave me all the signs
Though it never crossed my mind
You would hurt me more than I could know
You don't love me, I'm on a one-way street
Where your love won't go...

--- Instrumental to fade ---
