[Pusha T]

From ghetto to ghetto, to backyard to yard
I sell it whip on whip, it's off the hard
Stand on that temple nigga, spit that cris nigga
Throw that chair, make em recognize this
Raw, playa looka here, I'm great in the kitchen like mornin cookware
Uncle Jamima, wit my braids wrapped
In 3-minute recipes for cookin flap jack
Coke price through the roof, SL blew the coupe
My niece askin how my rims bigger than a hula-hoop
Cuzzo, I make the block holla, take it back to childhood
How the scale titer-totter, as I evolve
Weight grew heavy, it was kinda like my buddy just fell off the see-saw
Bricks in the muffler, mack 11 touch ya
Virgina's hustler, I'm here motherfucker...

[Malice]

213 South cross the Baybridge wit it
Bring the triangle, then mail, come and get it
The time in the kitchen, I dare not mention
When my cell phone echo, I swear they listenin
'89 was my beginnin y'all
Young snot-nosed, Cash Yams in a tennis ball
Cops swore we was playin catch, NO
We was at a stretch, no shorts, beg till you outta breath
I ducked the feds, they seein my weight grow
Streets love Malice for his comeback gracial
If they got popped, we made sure they made bail
Cuz if not, we be scared they gon tell
Patty cake, that's me, bake the pies
Pie wrecked, mixed that, scrape the sides
Grindin', glock 9 in a line in
Make God strike a nigga dead if he lyin
