

Clipse, Ultimate Flow

Clipse - ultimate flow lyrics

yeah, in closing..(get familiar)..effortless shit, the ultimate flow you know..

Life is what u make it, ya flows are makeshift, i draw this of inspiration, you trace shit. patience bee

you mad huh, i know u like my style , you got to feel us, its the real one unfamiliar, not to ever let yo
you mad huh, i know u like my style , you got to feel us, its the real one unfamiliar, not to ever let yo

accustomed to the luxuries that cheese bring, im a grown man, baby ya heart
findin myself teethin. the big faces got me fucked up, i admit im too weak, stay broke say fuck it and

you mad huh, i know u like my style , you got to feel us, its the real one unfamiliar, not to ever let yo
you mad huh, i know u like my style , you got to feel us, its the real one unfamiliar, not to ever let yo

all the money in the world, and i aint fulfilled, but what could be missin i mean, the wrist on chill, the

you mad huh, i know u like my style , you got to feel us, its the real one unfamiliar, not to ever let yo
you mad huh, i know u like my style , you got to feel us, its the real one unfamiliar, not to ever let yo

ex dope dealer the ex bein the quotion, dividin the pride, by the motion that im movin whats a coast

you mad huh, i know u like my style , you got to feel us, its the real one unfamiliar, not to ever let yo
you mad huh, i know u like my style , you got to feel us, its the real one unfamiliar, not to ever let yo

yeah niggas the ultimate flow, you know, re-up gang, you know, we got it for cheap volume 2, this t
