## Cliteater, Beaten Senseless

Meet my beating Meet my beating

Prejudiced bastards ought to know They are walking on shallow ground Meet my beating Meet my beating

[Chorus]
Indigestible rage
Relentless senseless beating
Handicap you for life
Smashing and bashing your skull, bones and genitals
On and on and on and on

Suspend animation I won't fall for that Keep on punching out the ignorance Bleed for me twat

Humans oh so fragile Not worth the air they breathe Gradually losing conscience Meet my beating Meet my beating

[Repeat chorus]
