

Clockwise, Walking Through

I'm walkin' through,
I can't go through next time,
Please, mother hate,
Don't close my eyes...
I... won't give up,
I wonder if I can be so.... real?
I'm walkin' through,
I can't go through next time,
Please, mother hate,
Don't push my gun...
I... won't give up,
I wonder if I can be so real.....?
Leave myself,
Don't care 'bout me again,
I won't be yours, heey
Leave myself,
Don't care 'bout me again...
If I can be so real...
Leave myself, leave myself.....
Leave myself,
Don't care 'bout me again,
I won't be yours, yeah
Leave myself,
Don't care 'bout me again...
No way...
Leave myself,
I want you, touch you, fuck you...
I won't be...
If I can be so,
If I can be so real.....
