

Clones Of Sam, Little

When I was little, I didn't care

and now I'm suffering, please be there

It's not the same, it's not the same, it's not the same

I'm easily broken baby, fine, I think you know

You need to be open-minded, fine, I'll let you go

All around the world you made it fine

All around the world you make it fine

When I was little, I wouldn't dare

She acts so damn proud of him, be she's unaware

It's not the same, it's not the same, it's not the same

You break me down, and you break my heart
