

Closterkeller, Immanoleo (The Mummy)

I had this dream
Many times before
But what happens to me now
I really wanna know
Cannot close my eyes
I see his face again
And he's calling me
This haunting name:
Immanoleo...

And I run outside
Trying to escape
But he's following me now
This time it seems to late
Blood is running cold
I don't know who I am
And he's calling me
This haunting name:
Immanoleo...

Dark empty sky
As far as I can see
And this pyramid above me now
Reveals my destiny
Centuries ago
He buried me in hell
Now I'm falling again
Under his spell:
Immanoleo...
Immanoleo...
Immanoleo...
Immanoleo...
