

Clouds, Inmorta

I am not you reincarnate
I was never la belle damme
I have mercy and compassion
Unlike you Immorta

I have sympathy and caring
I am not so cruel and cold
I am warm and living flesh
Unlike you Immorta

I have heard your ragged breath
(felt it on me)
I have seen you in the mirror
(behind me)
I will fight you to the death
(be gone from me)
I am not you Immorta
