## Clubraiders, Move your hands up

Move your hands up Shake your body to the ride I feel the rhytm I feel the rhytm of the night And move your hands up And shake your body to the ride I've got to borrow And dance day and every night Move your hands up Shake your body to the ride I feel the rhytm I feel the rhytm of the night And move your hands up And shake your body to the ride I've got to borrow Til' dance day and every night Move your hands, move Breathe breathe breathe, please please please Move your hands up Shake your body to the ride I feel the rhytm I feel the rhytm of the night And move your hands up And shake your body to the ride I've got to borrow Til' dance day and every night Move your hands up Shake your body to the ride I feel the rhytm I feel the rhytm of the night And move your hands up And shake your body to the ride I've got to borrow Til' dance day and every night Move your hands up!
