Clyde McPhatter, Long Lonely Nights

Long, long and lonely nights I cry my eyes out over you Wond'ring if I did right And why you left me with a broken heart

Oh, long, long and lonely nights Oh, how I miss you, my dear Please, please, come back to me How I wish you were here

As I go along my lonely way I visualize your face When I pass through (yeah!) my doorway What's left for me to face?

Oh, long, long and lonely nights I guess you're never coming home Long, long and lonely nights Ever since you've been gone

As I go along my lonely way I visualize your face When I pass through (yeah!) my doorway What's left for me to face?

Oh, oh, oh, long, long and lonely nights I guess you're never coming home Long, long and lonely nights Ever since you've been gone

Please, please, come back to me You've been gone too long
