## Co-Ro, Because The Night

Take me now, baby, here as I am Hold me close, try and understand Desire is hunger is the fire I breathe Love is a banquet on which we feed

Come on now, try and understand The way I feel under your command Take my hand, come under cover They can't hurt you now

Because the night belongs to lovers Because the night belongs to lust Because the night belongs to lovers Because the night belongs to us

Have I doubt, baby, when I'm alone Love is a ring on the telephone Love is an angel, disguised as lust Here in our bed 'til the morning comes

Come on try and understand The way I feel under your command Take my hand, come under cover They can't hurt you now

With love we sleep, with doubt the vicious circle turns, and burns Without you, I cannot live, forgive the yearning burning I believe in love too real to feel, take me now, take me now, take me now
