Co-Ro, Mirror Man

Did you see me run
I thought I saw you hide
Did you see me laugh
I thought I saw you cry
It seems a little strange the image on the wall
Is talking to me but I'm all alone

Here I am, the mirror man Invisible but I just can't hide Here I am, the mirror man Watch me walking to the other side

Walk on by, walk on by, walk on by He's the mirror man, everybody dance Walk on by, walk on by, walk on by He's the mirror man, everybody...

Walk on by, walk on by

Take a long ride through outer space
Take a short walk along a subterrain
I feel so alone in this part of town
I think you and I should be going down
Leave your wings, you don't have to fly
Dry your tears, there's no need to cry
Take a breath and Baby dance with me
I'll take places you have never been

At times I saw you laugh At times I saw you cry At times I saw you run At times I saw you hide

Hey hey hey ah
