

# Coach Said Not To, Property Line

There's a double-you in how I spell we. There's no I in team, but there is me.  
I built a wall straight up in between made out of two-by-four inch beams.

Can you hear me laugh from the other side?  
There is greener grass, and the view is mighty nice.

So here we go.  
So here we go.  
So here we go.  
So here we go.

Do I wait for me? Do I wait for you?  
Do they laugh, laugh at us cause we're both too scared to move?

So here we go.  
So here we go.  
So here we go.  
So here we go.
