

Cobra Starship, Good girls go bad

I know your type
Yeah daddys lil girl
Just take a bite
Let me shake up your world
Cause just one night couldnt be so wrong
Im gonna make you lose control
She was so shy
Til I drove her wild
I make them good girls go bad
I make them good girls go bad
You were hanging in the corner
With your five best friends
You heard that I was trouble but you couldnt resist
I make them good girls go bad
I make them good girls go
Good girls bad
I know your type
Boy youre dangerous
Yeah youre that guy
Id be stupid to trust
But just one night couldnt be so wrong
You make me want to lose control
I make them good girls go bad
I make them good girls go bad
I was hanging in the corner
With my five best friends
I heard that you were trouble but I couldnt resist
I make them good girls go bad
I make them good girls go
Good girls bad
Oh she got a way with them boys in the place
Treat em like they dont stand a chance
But he got a way with them girls in the back
Actin like they too hot to dance
I make them good girls go bad
I make them good girls go..
Them good girls go bad
I was hanging in the corner
With my five best friends
I heard that you were trouble but I couldnt resist
I make them good girls go bad
I make them good girls go
Good girls bad
