

# Cochran Eddie, Somethin' Else

Uh-Look-ah there  
There she comes  
Here comes that girl again  
Wanted to date her since I don't know when But she don't notice me  
when I pass  
She goes with older guys from out of my class  
But that can't stop me from-ah thinkin' to myself She's sure fine  
lookin' man  
She's somethin' else  
Hey look-ah there  
Across the street  
There's a car made just for me  
To own that car would be a luxury  
But right now I can't afford the gas  
A brand new convertible is out of my class  
But that can't stop me from-ah thinkin' to myself That car's fine  
lookin' man  
It's somethin' else  
Hey look-ah here  
Just wait and see  
Workin' hard and savin' my dough  
I'll by that car that I've be wanting so Get me that girl and we'll go  
ridin' around  
The town will be all shocked with my white top down  
I'll keep right on and dreamin' and-ah thinkin' to myself When it all  
comes true, man  
Wow! That's somethin' else  
Look-ah here  
What's all this?  
Never thought I'd do this before  
But here I am ah-knockin' on her door My car's out front and it's all  
mine Just a '41 Ford not a '59  
I got that girl and I'm-ah thinkin' to myself She's sure fine lookin'  
man  
Wow! She's somethin else
