

# Cock Sparrer, England Belongs To Me

Years of being told you ain't as good as us  
Join the line, sign your name  
And they all said that our country's going bust  
But no-one's fooling us again

CHORUS:

England belongs to me (you'd better believe it now)  
A nation's pride the dirty water on the rivers  
No one can take away our memory  
England belongs to me

We'll show the world that the boys are back to stay  
And you all know what we can do  
Heads held high, fighting all the way, for the red, white, and blue.

CHORUS (4x)
