

Cockney Rejects, Sitting In A Cell

now i'm sitting thinking
i've seen this place before
in fact i've seen it so much
it's getting quite a bore
just another night out
for just another laugh
it seems that all the time
we cross the ol'bills path
cos i don't wanna be sitting
in a cell with you
i don't wanna cos it's something
i don't wanna do
i don't wanna be sitting
in a cell with you
i don't wanna cos it's something i don't wanna do
so go and screw
cos some cunt get mouthy
and i put him on his back
and now i've got to pay the price
a night without a sack
they say that this justice
and that is just a farce
and if this is british justice
they can stick it up their arse
