

Cockney Rejects, The Rocker

Ain't got no regard for the latest fad
A worn out leathers all he's ever had
Filthy ol' headband around his head
Says 'man' I'm into Motorhead
He don't give a shit about you and me
He's in love with a 750 cc
Don't give a fuck about progression
We've still gotta learn our lesson
He's the rocker
Everywhere he goes people
Turn their nose
They look at his hair look at his clothes
He don't give a shit he's used to it
And he don't give a fuck about me and you
He doesn't believe in god above
Says he's into peace and love
Ask him no questions he'll tell you no lies
That's why a rocker never dies
He's the rocker
