

CoCo Lee, Before I Fall In Love

My heart, says we've got something real
Can I trust the way I feel
'Cause my heart's been fooled before
Am I just seeing what I want to see
Or, is it true, could you really be

Chorus

Someone to have and hold
With all my heart and soul
I need to know, before I fall in love
Someone who'll stay around
Through all my ups and downs
Please tell me now, before I fall in love

I'm at, the point of no return
So afraid of getting burned
But I want to take a chance
Oh please, give me a reason to believe
Say, you're the one, that you'll always be

Chorus

It's been so hard for me to give my heart away
But I would give my everything ,
Just to hear you say

Chorus
