

CoCo Lee, Reflections

Look at me
You may think you see
Who I really am
But you never know me

Every day it's as if I play the part
Now I see if I wear a mask
I can fool the world
But I cannot fool my heart

Who is that girl I see
Staring straight back at me
When will my reflection show
Who I am Inside

I am now
In a world where I
Have to find my heart
And what I believe in

But somehow
I will show the world
What's inside my heart
And be loved for who I am

Who is that girl I see
Staring straight back at me
Why is my reflection
Someone I don't know

Must I pretend that I am
Someone else all the time
When will my reflection show
Who I am inside

There's a heart that must be free
To fly
That bursts with the need to know
The reason why

Why must we all conceal
What we think How we feel
Must there be a secret me
I'm forced to hide

I won't pretend that I am
Someone else For all time
When will my reflection show
Who I am Inside

When will my reflection show
Who I am Inside
